Why choose an LogiWare/IDS solution for my company's needs?

- LW/IDS is a Microsoft Gold Certified Partner
- LW/IDS has over a decade of experience and is a Maryland and Virginia corporation in good standing.
- LW/IDS solutions save your company time and money by streamlining your business processes.
- LW/IDS provides digital repository solutions for your converted documents and makes them securely web accessible 24x7.
- LW/IDS solutions work with most open architecture based software.
- Reduce operating cost by eliminating unnecessary printing, copying, and time spent searching for documents.
- LW/IDS provides a complimentary on-site document management assessment.
- Documents, large format images, and e-forms are easily accessible for field work, meetings, or presentations.
- We eliminate the technical learning curve and get you operating productively ASAP, while fully training your IT resource to maintain the system or by maintaining it for you.
